Pre-course Assessment

Developing Your Leadership Point of View

Directions: Read the assigned article prior to developing and submitting your responses to the following 7 questions:

- 1) Who are the influencers (leaders) in your life?
- 2) Think of your life purpose. Why are you here and what do you want to accomplish?
- 3) Which of your core values will guide your behavior as you attempt to live your life “on purpose”?
- 4) Given what you’ve learned from past leaders, your life purpose, and your core values, what are your beliefs about leading and motivating people?
- 5) What can your people expect from you?
- 6) What do you expect from your people?
- 7) How will you set an example for your people?

At the end of the course, you will compare and analyze your answers as part of a post course assessment.
